Bridgeport		CT	06605
Attention			

Tom Vann

Process Code	Name of Process	Category 1		Specification Approvals & Technical Representative Name for Cat 1 approved processes
EG	Holemaking		X	P11TF12 Class A, B, E, G

Remarks

This is to certify that a review has been completed of your technical resources and quality system controls used for the above named process(es) and found them to be capable of satisfying the requirements of the above specifications, subject to the limitations in GEAE Quality Specification S-1000 for Category I or II Suppliers. This certification does not in itself constitute a waiver of specification requirements as to inspection, testing, maintenance of records, and/or other provisions of the Purchase Order/Sub Contract, nor does it guarantee the acceptance of articles produced for the General Electric Company. Requirements for the submission and qualification of individual parts/samples or other items as contained in specifications, engineering drawings or Purchase Order will be completed as outlined. Inspection of the facilities for which this certification is granted may be conducted at any time by an Aircraft Engines Representative to determine continued compliance with GEAE requirements.

The Certification shall expire at the end of **09/30/2008** unless canceled by an Aircraft Engines representative.
